Loxwood Pre-School is a committee run pre-school for children aged two to five years. It is run by an enthusiastic team and is part of the fabric of the village.

Our Pre-School is small with a maximum of seventeen children and lies in the heart of the community - away from busy roads and with views and use of Loxwood School's natural garden and playing fields, as well as use of the community's Diamond Jubilee Garden. We pride ourselves on providing a caring, sharing and healthy environment. It is a superb place for children to grow and learn.

We are rated outstanding by Ofsted, who said: "Children form highly effective relationships with their key person and display high levels of confidence in their environment."
