

Dear Parents and Carers,

We have made it to the end of another busy half term. We have been very lucky with the weather the last few weeks and it is set to continue over the next few months, can we remind you that your child should come to school with a water bottle and sunhat. Please could you also make sure you apply sun cream in the mornings before school.

### **Mrs Harder**

We would like to wish Mrs Harder the very best for her forthcoming arrival! We would like to thank her for her continued hard work and care she shows for the children. She will be greatly missed during her maternity leave, but we can't wait to meet her new baby very soon.

### **Self Help Day**

We will be holding another self-help day on Saturday 15<sup>th</sup> June between 9.00am and 12.00pm. We are looking for volunteers to help with painting fences, gardening, removing the old trim trail, tip runs, window cleaning and general maintenance. If you are able to help, please let the school office know so we can make arrangements, if we do not get enough help we will not be able to run this day. As always, we thank you for your help and support.

### **Pencil Cases in KS2**

A reminder please that children in the Junior classes are asked to provide their own pencils and pens for class work. We understand that some children also like to have their own collection of coloured pencils and fine liners/gel pens. However pencil cases and their contents are becoming out of control again! Could you take the opportunity at half term to ensure that your child has at least the minimum requirements – a pencil and pen – and also do a little pruning of the extras. We still have small pencil cases and a selection of suitable pens, pencils, rubbers etc for sale in school at a very reasonable price.

### **Healthy School**

Just to remind everyone that we are a healthy and nut free school. We do have children in school with nut allergies so we do ask that that lunch boxes and snacks do not contain any nuts at all (including peanut butter) and that they are as healthy as possible. We request that there are no bars of chocolate, fizzy drinks or energy drinks – apart from being unhealthy that are not conducive to a calm, learning frame of mind as you can imagine! Thank you.

### **Sports Day**

Sports day will be held on Wednesday June 5<sup>th</sup>. The activities will be the same as previous years.

9.15 – 11.30 house team activities, these include jumping, throwing etc.

11.30-12.15 running and relay races.

To avoid rescheduling due to hot weather we will finish after the whole school family picnic on the field at 1:00.
