

Dear Parents and Carers,

This week has been full of celebrations! The Library opening has to be our top celebration closely followed by the completion of SATs in both Year 2 and Year 6. We are very proud of all of the children and huge thanks go to their teachers and all of the voluntary helpers that are involved in supporting the children.

New Library

We would like to thank everybody who has visited our new Library and Learning area over the last week. It was officially opened this morning by Gillian Keegan MP. She was just as delighted as we are with our new facility and she spent some time chatting to the children about their love of books. It was also lovely to be able to personally thank some ex- members of the PTA who worked extremely hard to fundraise for the project when their children were at Loxwood School. We are very proud of the hard work and effort, from many members of our school community that has gone into providing such an amazing space for our children.

Year 2 SATs

Year 2 have been enjoying breakfast at school this week. This has helped feed our brains and keep our tummies full whilst we show off all of our great learning! We are very pleased with the effort that children put in. Unfortunately, SATs don't measure awesomeness but don't worry; Mrs Harder is on the case with that one!

Year 6 SATs

Well done to Year 6 for finishing their SATs this week. It can test the resolve and perseverance of the strongest character so we are extremely happy with the determination you all showed during this week. On Thursday, they celebrated with a well-deserved party!

Gillian Keegan MP visits Year 5 and Year 6

We were very lucky to welcome Mrs Keegan to our school today. Last term we had invited her to come in and help with our Brexit topic – funnily enough she found herself very busy in the House of Commons at that time! Today she was able to give the children some very interesting background about her journey into politics and the sort of thing she does on a daily basis. The children had prepared some very mature and thoughtful questions and it was a fascinating session. She has promised to come back and visit our lovely school again.

Sports Day

Sports day will be held on Wednesday June 5th. The activities will be the same as previous years. 9.15 – 11.30 will be house team activities, these include jumping, throwing etc. where the children get house points for teamwork. 11.30-12.15 will be the running and relay races.
