

Wednesday 21st July

Dear Parents and Carers of Acorn Class

Your Child's Learning Journal

As children approach the end of their Reception year we provide relatives with a link on Tapestry that enables them to download their child's Learning Journal in a PDF format.

Please use this link for instruction on how to download your child's journal. [Tapestry downloads](#)

It is important to note:

1. You cannot download the Journal from the app. You will have to log in on line
2. The link is only valid for 21 days

In school we keep a copy of the journal and assessments to enable us to plan effectively for the children in Year 1 and Mrs Calvert will also use this information to handover to Mrs Pinder and Mrs Harder.

In Years 1 and 2 we have been developing our use of Tapestry for certain activities and assessments including informing you about any Home Learning. Because the curriculum is different you will be set up on a new tapestry account. This will be provided in September.

Your current Tapestry account will be unavailable after 31 August when we will be transferring our new cohort onto the system.

We really hope that you enjoy sharing and remembering your child's learning journey through reception.

Kind regards

Ms Kitson & Mrs Calvert
