

4th October 2019

Dear Parents and Carers,

Well done to all of those families who ran the Colour Run on Saturday. I hear that it was a huge success and a special mention to Mrs Pawley and PALs for their organisation of the event.

The weather continues to be kind to us allowing for enjoyable playtimes, PE lessons and Forest School. We did have some showers this week and not all children had their coats in school – could you please make sure that they bring them in so that they can go out to play as normal whatever the weather.

Parents Evenings – 15th & 16th October

Please don't forget to book your appointment for Parents Evening online. If you are having problems booking, speak to the school office and they will help.

Talented Athletes

On Wednesday, our Year 5 and 6 Talented Athletes had their first session of the year with other schools from our locality. Although this was hosted by The Weald, there were various other coaches from local clubs including Sussex Cricket. The children had four activities to participate in throughout the day, working on skills such as agility and speed. They then put these into practice within different sports. A good day was had by all and they are looking forward to the next session in January!

New Kit

We are very proud to have a lovely new sports kit. This is funded using our Sports Premium funding. The children looked very smart when it had its maiden voyage out at Talented Athletes this week. We would like to thank Victoria at Ginger and Sparkle for the amazing printing on them.

Head Lice

We have had reported cases of head lice this week, please can we remind you to check your child's hair and treat accordingly.

Fire Wood

We need fire wood for the forest school, (small chunks - we can chop it) that is suitable for burning, ie not painted/treated wood or any that has nails etc in.

Junk Modelling

The infants would really appreciate any spare junk modelling you might have lying around

Stanley's Blog

I have had a very busy week this week. I have visited Year 3, 4 and 6. I showed them some of my training. I'm learning to listen for my name and come quickly when asked and to sit instead of leaping around the place (Really, really tricky. Leaping is much more fun). I can already sit and wait for my dinner but no one asked to see that one. I saw some really good writing from Year one and I only chewed the corner of the book; I don't think anyone noticed.....

DID YOU KNOW.....we are planning a number of new after school clubs. Watch this space for more information!

The winning house this week is...

Drungewick

Half Term / End of Term Holidays 2019/20

Half Term **October 28th – 1st November**
