

## *Mulberry Class*

11<sup>th</sup> July 2019

Dear Parents,

Well this year has flown by. We have enjoyed teaching your children so much and have had a wonderful year.

We hope you enjoyed the performance of *Alice in Wonderland*. The children worked so hard and we are very proud of both of the final performances. I think we will have lots to choose from for next year's production.

In Maths this week, the children have been looking at finance and how to look after their money. Next week we will end the year with some measurement and translation.

In English this week, the class have finished their letters to Sir David Attenborough, I will post them in the summer and any response I get I will pass up to year 6!

We had a great time at the house matches on Wednesday, the class showed their skill in cricket and rounders and displayed good team spirit. In P.E. we have been busy practising the skills needed for the sports leader roles as we look ahead to next year and appointing our new sports leaders.

We have begun to film our Mockumentaries and will watch them back next week in computing.

A new homework grid is up on our class page, so are the spellings for the half term. Most of the class work on the group 1 spellings with a few children working on group 2 (the children know which group they

are in). We expect the children to be learning their spellings every week and to bring their spelling book into school every Thursday. This is so that we can see the learning that they have been doing over the week and set the next set of spellings. In addition to learning their spellings, we also expect the children to write down a sentence using each of the spellings.

We both would like to wish you all a lovely summer break and look forward to seeing the class take on the year 6 roles and responsibilities that we are sure they will do with maturity.

Kind Regards

Mrs Winter and Miss Durkin
