

My going to Big School Book

This is my new school.

Welcome to Loxwood School

There will be a peg with my name on it. It is colour coded (the same colour as my house group). Mrs Coupe will help me find it and I will hang my coat up and put my things away tidily.

We wonder what

exploring?...

We wonder if you will take turns with others or invite someone to go on the back...

Bikes

This is only some of our outdoor equipment. Here we are dressed in Forest School clothes.

We're looking forward to seeing what you create...

Music and Construction

Mrs Calvert will be my new teacher.

Mrs Coupe will help me too.

When I feel confident I will greet the adults with "Good morning Mrs Calvert". "Good morning Mrs Coupe".

These are the Young Explorer toilets.

At the beginning, I might forget this sometimes!

I must ask the teachers politely if I need to go to the toilet so they know where I am.

We play in the playground at lunchtime. We can stay in our area ...

... or go on the main playground

Lining up

Collecting our lunch

PE in the hall ... but most of the time outside!

This is what we wear for PE.

We wear 'House' colour T-Shirts

Please ensure all clothes/shoes are clearly named.

Please buy uniform 'big' to ease independent dressing but make sure it doesn't fall down!

When we are settled, the older children sometimes help us for PE and other activities.

This is the dinner lady who will
serve my lunch in the hall.

Her
name is
Kim
