Calling all budding photographers... The Parish Mag needs you!

This summer we are running a photography competition for everyone at Loxwood School. We want you to head out into the villages this summer, and snap some pics of what you think makes our villages great! It can be anything... buildings, nature, animals.. you decide!

The winner will get their photo featured on the front cover of The Parish Mag - which is delivered to 1500 homes in Alfold and Loxwood every month. Plus they will win a £50 prize for their class!

All you need to do is snap your pics. If you're going to show anyone's face, make sure you get their permission. Get your grown-ups to email the photos to parish.mag.editor@alflox.org and the winner will be announced in assembly next year!

We can't wait to see what you come up with...

Happy snapping!
