

Dear Parents,

As we near the end of term, I can see that the children are tired. I know that many of them have only been back a few weeks but the adjustment has taken effort. We have been so proud of the children's work on their return. We have once again enjoyed our Friday Assembly this week. It feels so lovely to watch the children get their certificates and to cheer at the house points.

For our children's safety. Please do not drive down Badgers way at pick up and drop off. This road is now accessed by Year 3 and 4 children coming into school.

West Sussex Music Service

West Sussex Music Service is able to start music lessons at the school. Please follow the link below to find out more information and how to book and pay for your child's lesson. The lessons are during school time but are organised by the parent with West Sussex Music Service. We are aware that there is occasionally an age limit for certain instruments and a minimum number of students.

After school clubs are beginning to return

Attached to this news letter you will find clubs available for the Summer Term (unless government guidance changes in the meantime). We have tried to provide an opportunity for all children to attend a club by funding the sports clubs. All clubs have a maximum number and may fill quickly. If you are unable to secure a place this term we will try to offer you a space the following half term.
