

Mulberry Class

28th February 2019

Dear Parents,

We hope you have had a lovely half term break and enjoyed the sunshine! It was lovely to see the children return this week so keen to learn.

We continue to learn through our topic 'Home and Away'. In English we have been weighing up the reasons for and against Brexit in a balanced argument. We have made sure to keep our opinions out of the discussion and tried to make sense of it all! The children have used fantastic conjunctions to write their balanced arguments and drawn some good conclusions. In Maths, we continue to look at fractions, we have multiplied fractions together and we have found fractions of an amount.

We are still focusing on coding in computing. We are now creating an animation with different characters and different backgrounds. The children are being really creative with their ideas. Internet safety is still a focus within our computing lessons so please make sure you are talking to your children about what they are doing online and how to keep safe online.

For P.E. this half term we will be doing football with Mr Green on a Wednesday and gymnastics on Fridays. Please make sure that your child has a full P.E kit in on these days.

Please keep sending in homework as we do love to see it and try to show it as often as we can. In addition to your child choosing a project if they wish it is really important that they are learning their spellings and times tables. We expect the children to be

learning their spellings every week and to bring their spelling book into school every Thursday. This is so that we can see the learning that they have been doing over the week and set the next set of spellings. In addition to learning their spellings, we also expect the children to write down a sentence using each of the spellings.

Kind Regards

Mrs Winter and Miss Durkin
