

## *Mulberry Class*

4<sup>th</sup> April 2019

Dear Parents,

The Easter break is fast approaching. We have had a busy term with school trips, sporting events and lots and lots of learning!

The children had a fantastic time at Hampton Court last month, they made us so proud with impeccable behaviour. They learnt a lot about the Tudors and how they lived as well as Henry VIII and his many wives!

Last week we had an exciting forest school session, the children built shelters using ropes and the natural environment. They were even tested to see if they were waterproof at the end!!

In our English learning, our instruction writing has built up to today when the class have baked their very own Tudor inspired biscuits. The children have taken a basic biscuit recipe and made it their own so they will be bringing home some biscuits for you tomorrow!

We are still looking at fractions and decimals in maths but have also thrown in some percentages too! We will continue to look at decimals after the break and then move on to some shape work.

For P.E. this half term we are learning the skills involved in the game of football. The children are showing great skill and control when it comes to dribbling with the ball and passing it. Please make sure your child has a full PE kit in on a Wednesday and a Friday so that they can fully participate in their lessons.

A new homework grid will be up on the website after the Easter break so look out for that! I will also be putting up the spellings grid so that if a child is absent on a Friday when spellings are given out they can still access them. We expect the children to be learning their spellings every week and to bring their spelling book into school every Thursday. This is so that we can see the learning that they have been doing over the week and set the next set of spellings. In addition to learning their spellings, we also expect the children to write down a sentence using each of the spellings.

We wish you a happy Easter break and look forward to seeing the children back in school on Tuesday 23<sup>rd</sup> April.

Kind Regards

Mrs Winter and Miss Durkin
