

Dear Parents,

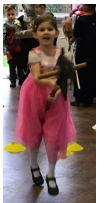

This week has been full of enrichment activities and shared learning. Below you can read about the Castle Day organised by the Infant team. What a wonderful way to learn about History. Colouring competitions and odd socks have cheered up our Friday and we are very grateful for all your donations. Donations are appearing for our Christmas Fair next Friday but we are still in need of lots of different things—if you are able to help please look at the next page to find out more information (I do know that the chocolate tombola is lacking in chocolate at the moment!).

Years 1 & 2 Castles day

Year 1 and 2 had a fabulous day on Monday when they were transported back to the medieval times to experience life in a castle. They all gained a certificate in medieval mastery after completing activities such as medieval dancing, natural cloth dying, knight training

and even made their own Loxwood Tapestry! There was of course a snack time feast in the 'Great Hall' to

Anti bullying week and Children in Need

National Anti-bullying week is a good opportunity to have a whole school focus on friendship and kindness. This isn't something that we ignore the rest of the year but as a national event it is something that can be shared across all schools. Wearing odd socks reminds us that we are all different and gives the children (and adults) an chance to express themselves. We have been growing our kindness tree with new leaves were teachers have seen a wonderful example of kindness from a child.

We have also been raising money for Children in Need. The colouring competition closes at end of school today and the winner will be announced next week. Many of you also popped your loose change in our charity buckets on the gate. A grand total of £135.88 has been raised and this will go to help all those children less fortunate.
