

Dear Parents,

What a lovely week. The children have returned much more settled than in previous times and they have shown that they are ready to learn. The beautiful weather has certainly helped and we are ensuring that we get them outside as much as possible. Please see below for information on our Open Afternoon event which we are so excited to be able to begin to organise.

### Open Afternoon - Tuesday 20th July 3:00 - 4:30

You are invited to come into the school (woohoo), Covid restrictions allowing, on Tuesday 20th July from the end of the school day until 4:30. Whilst you are here you will be able to;

- Visit our Art Exhibition. Minimasterworks are setting up an art gallery of your children's artwork. A selected piece of work will be framed and exhibited at the gallery. You will be able to buy your child's art work if you wish
- Visit your child's current classroom and teacher. Have a look at their books and let the children show you their work. (Just like during our Come and See events in previous years)
- Visit any other room in the school including your child's next teacher
- Have a drink and a piece of cake on the field with our pop up café supplied by PALS (our PTA)

We will also be inviting our new parents with children starting in September 2021.

We do know that some of you will not be able to attend due to work commitments, however arrangements will be made for you to buy artwork if you wish.

We are so excited to be organising our first parents event for 14 months!! We really hope that Covid restrictions enable us to go ahead!

### Afterschool Sports Club

Our afterschool sports clubs started this week. The Infant club is full, however there are still spaces for the Yr 3 & 4 club on Thursday and the Yr5 & 6 club on Wednesday (both Cricket). These clubs are free to attend. Please contact the office if you would like a place

### Story Time

Since we are not allowed to do 'Shared ERIC', when the older children read to the younger children, the teachers will be travelling to different classes to read a story on a Friday afternoon. (Socially distant). The Junior teachers in particular were feeling very put out that they were not getting to know the younger children! In this way, when we do get rid of bubbles, the younger children will recognise staff from the older classes.

**For our children's safety. Please do not drive down Badgers Way at pick up and drop off. This road is now accessed by Year 3 and 4 children coming into school. Please be mindful of our neighbours when parking.**

#### General dates

**Monday 24th May** Year 6 Residential

**Tuesday 20th July** Open Afternoon  
3:05 - 4:30

#### Half Term / End of Term Holidays 2020/21
