

Dear Parents and Carers,

Can you believe we have just one week left of this academic year! I can't actually claim that we are winding down just yet! This week has been busy with House Matches, sewing, DT and of course Come and See. The children have also had another chance to make a short visit to their new classes for next year. You will have received your child's report yesterday. It would be very much appreciated by all of the teachers if you could add a short comment and return the slip enclosed with the report.

House Matches

Rounders : On Wednesday 10th July, KS2 children played an internal, mixed rounders tournament as part of their PE lesson with Mr Green. Each house played 3 games which consisted of 5 minute innings. The children all played really well with some impressive catching from Billy, Eve and Mickey. There was super bowling from Fern and Cayden and some wonderful fielding from Bertie and Thomas. Similarly there was fantastic batting from Sam B, Jacques, Ed W and Brenden. Thank you to our Sports Leaders who helped umpire (Dexter and Miles), score (Skye and Chloe), time and organise the games. The results were: 1st Drungewick (8 points) 2nd Southlands (6 points and only out 12 times) 3rd Brewhurst (6 points and out 19 times) 4th Malham (4 points)

Kwik Cricket. This game took the same format as the Kwik Cricket competitions that we had already played in the locality but to speed up the game we decided to play with only 4 balls per over. Unfortunately, we didn't have enough time for a round robin tournament so we played the first game as group stages. This then sorted out who played in the final or the 3rd place play offs. **1st Round:** Brewhurst 221-244 Drungewick Malham 232 - 220 Southlands **3rd Place Play Off:** Brewhurst 199 - 227 Southlands **Final:** Drungewick 262 - 224 Malham. All of the children played well and were able to use the skills they have picked up in their PE lessons. Sam V and Flynn were great all- rounders. We saw some brilliant batting from Halle, Sarah and Daniel. Danny and Kelsey made some impressive catches and we saw some super bowling from William F, Finley V and Florrie P. A big thank you to our Sports Leaders who had the tricky job of umpiring (Thomas, Brenden and Bertie) and to Jessica, Eve and Emily who learnt how to score. The results were 1st Drungewick 2nd Malham 3rd Southlands 4th Brewhurst

DT afternoon

Year 1 had a wonderful afternoon this week making pop-up mechanisms. They were spoilt with lots of parent helpers on hand to assist with the making. The results were excellent. Great fun was had by all!

Come and See

Thank you to all the parents who came to "Come and See" afternoon yesterday; we hope you enjoyed looking at your child's wonderful work.

Junk Modelling

Year 1 would love any junk modelling you have, especially kitchen roll / toilet roll tubes, for a project next week.

Congratulations Mrs Olliver

We would like to say congratulation to Mrs Olliver, who travelled to Madeira and competed in the Triathlon European Championships. She came 4th in her individual race and then picked up a bronze medal in the mixed relay race later the same day. (I'm tired just writing it!!)

Stanley's Blog

This week I was allowed outside. Something about ninjecjuns, or injections or something. Anyway I recommend it. There is always something going on outside. Year 2 had PE and I went to see them afterwards, they had lots of good questions. Mrs O'Mara and Miss Daly took me for a walk to the post office (more tickles) and I went on the Humpty (a serious amount of sticks to be collected and sorted there). One of the best things this week was Year 4 and 3 sewing – Mrs Oldfield and Miss Price were so impressed that lots of children got sent to the office for a well done sticker and I get tickled every time (on the tummy or behind the ears, just for future reference).

DID YOU KNOW...

Throughout the school this week, we have had a fantastic 24 volunteers! They have been reading, sewing and making pop up mechanisms. Thank you all!
